

BisToy Home Healthcare Inc. awarded CHAP Accreditation

DARBY, PENNSYLVANIA — 1/20/2024 — Community Health Accreditation Partner, Inc., (CHAP) announced today that BisToy HHC Inc. has been awarded CHAP Accreditation under the CHAP Home Health Care Services for which accreditation received Standards of Excellence. By achieving CHAP Accreditation, BisToy HHC has also been deemed to meet the Medicare Conditions of Participation and is certified as a Medicare provider.

CHAP Accreditation demonstrates that **BisToy HHC** meets the industry's highest nationally recognized standards. The rigorous evaluation by CHAP focuses on structure and function, quality of services and products, human and financial resources and long-term viability. Simply stated, adherence to CHAP's standards leads to better quality care.

"By achieving CHAP Accreditation, **BisToy HHC** has shown a commitment to excellence," said Nathan DeGodt, CHAP President and CEO. "We are excited to begin our partnership with BisToy HHC by offering support in its commitment to providing quality care and continuous improvement." **BisToy HHC** Organization provides a variety of Home Healthcare services to patients and their families in **Chester, Delaware, Montgomery and Philadelphia** Counties, and surrounding areas.

CHAP is an independent, not-for-profit, accrediting body for community-based healthcare organizations. Created in 1965, CHAP was the first to recognize the need and value for accreditation in community-based care. CHAP is the oldest national, community-based accrediting body with more than 9,000 agencies currently accredited nationwide. Through "deeming authority" granted by the Centers for Medicare and Medicaid Services (CMS), CHAP has the regulatory authority to survey agencies providing home health, hospice and home medical equipment services, to determine if they meet the Medicare Conditions of Participation and CMS Quality Standards. CHAP's purpose is to define and advance the highest standards of community-based care.
